**Boys & Girls Club of Cape Cod Has a New Web Design!**

The Boys & Girls Club of Cape Cod is pleased to announce that their new website design is live! This new website design is visually appealing, user-friendly, and modern. It features an intuitive navigation system, eye-catching graphics, and an overall clean and organized layout. You can check out the updated design at [www.BoysGirlsClubCapeCod.org](http://www.BoysGirlsClubCapeCod.org)

The new website was built by Chris Boyd of Coastal Mountain Creative in Mashpee, with content help from Kathy Kelleher and Lloyd Wilson, and photo and video assistance from Mashpee TV.

“The whole process took 6 months to complete, but now the overall design is fresh and inviting, giving the website a professional look and feel”, said Ruth Provost, the Boys & Girls Club’s executive director. “I cannot thank Chris Boyd enough for donating his time and expertise to this project, Mashpee TV for their help, and Kathy Kelleher and Lloyd Wilson for all the reviews and edits it took to get us to this place.”
